Designed by Sintex

Shade: T-503

With beautiful wooden designs inspired by the majestic brown teak trees, bring a dash of woody, earthy texture to your home.

Shade: D-75

Add spice to your interiors with our red cedar-inspired panels.

indiana SERIES

The beautiful essence of India,
at your doorstep.

This Ethnic Range is ideal for your kitchen, bathroom, toilet and interior doors. Crafted with 100% virgin uPVC, these doors are durable and low maintenance. Compared to wooden doors, this door does not swell when in contact with moisture. Fire-retardant and anti-fungal, they make your smart home even smarter.

Ceiling

Designed by Sintex

Shade: D-15 Tropical Teak & White

Raise the standard of your interiors with a beautiful blend of panels inspired by tropical teak trees and chic white snow.

Wall Panel

Designed by Sintex

Shade: T-407

A mix of honey and sunshine, our Betula Medwediewii gold bark-inspired designs make your interiors sparkle 24K magic.

DIG-301

indiana
SERIES

Enjoy the beauty of nature from the comfort of your home with door designs inspired by rich cross-sections of Indian trees.

Decorative Panels

SINTEX DECORATIVE PANELS

Sintex's decorative panels epitomise sophistication and luxury. Available in beautiful colours and designs, our termite and borerproof panels cater to diverse aesthetic preferences with easy installations. The premium quality of Sintex decorative panels offers a durable and no-maintenance solution that does not compromise on style. These panels transform ordinary walls into stunning visual statements.

Wall Panel

Transform your walls with Sintex's wall panels, turning blank canvases into masterpieces of luxury. These panels ensure that your walls stand out with vibrant colours and timeless designs.

Ceiling

Raise your decor standards with Sintex's ceiling panels, where elegance meets functionality. These panels lift your interior design to new heights, offering lightweight materials that last long and are easy to install. Come, elevate your living spaces.
